Three weeks ago a man at Sweet Springs claimed to have examined a peach tree and found the buds all frozen or killed. He rushed to his home paper with a rash statement that there would be no peaches. We examined a number of trees and so far can find no damage to the coming crop, there is great danger yet as a cold snap at this time is much more liable to damage peaches than during the winter. Other persons who have examined their peach trees agree with our statement.—Marshall Republican.

Faster and faster the pace is set,
By people of actions, vim and get,
So it is at the finish you would be,
Take Hollister's Rocky Mountain Tea.
E. W. HERRING.

Walter Meyer, a hustling farmer and stockman of near Brunswick, has shipped two car loads of hogs and one of cattle during the past week. The hogs were billed to St. Louis and the cattle to Chicago.

Saved Her Son's Life.

The happiest mother in the little town of Ava, Mo., is Mrs. S. Ruppee. She writes: "One year ago my son was down with such serious lung trouble that our physician was unable to help him; when, by our druggist's advice I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's New Discovery saved his life." Guaranteed best cough and cold cure by E. W. Herring, druggist. 50 cts. and \$1. Trial bottle free.

James W. Corum, 14-years-old son of Jas. Corum, deceased, who formerly lived in Slater, died of spinal meningitis in Denver Saturday. His remains were brought to Slater for interment Monday.

W. C. GASTON, Druggist.

The residence of F. J. Nichols of near Moberly was destroyed by fire Saturday. No one had occupied the house for several days, and it is believed that an incendiary is responsible for the fire.

In using a cough syrup, why not get the best? One that comes highly recommended is Bees Laxative Cough Syrup. Contains Honey and Tar and is superior to other cough syrups in many ways. Children always like it because it contains no opiates, is a laxative and is guaranteed to give satisfaction or your money refunded. Try it. Sold by E. W. Herring's drug store.

O. A. Snow, the druggist at Jacksonville, has on exhibition at his store a curiosity of curiosities. It is a lamb with seven feet. The head and shoulders are just the same as any lamb, but the hind quarters are different. Instead of being two hind feet there are four and also four hips and two bodies about half of the distance between the hips and shoulders. Where the two bodies end there is another foot, so the animal has seven feet as follows: Four behind, two in front and one in the middle. The lamb was born dead, but it was such a curiosity that it was taken to Jacksonville and Mr. Snow placed it in alcohol to preserve it.—Moberly Democrat.

Improper action of the kidneys causes backache, lumbago, rheumatism. "Pineules" is a kidney remedy that will relieve these diseases. Pleasant to take and guaranteed to give satisfaction or money refunded. "Relief in every dose." Sold by E. W. Herring's drug store.

Late thieving at the Moberly produce plant reveals what might be termed a wholesale robbery. Mr. Stamper missed a case of eggs and a crate of butter, and Mr. Carver, the poultry man, was a victim of this midnight prowler. "Tut" Woods is supposed to be the guilty party, as he disposed of the articles mentioned to Jim Capp, the huckster, and the Turner & Deskin restaurant.

Everyone knows that spring is the season of the year when the system needs cleansing. Dade's Little Liver Pills are highly recommended. Try them. Sold by E. W. Herring's drug store.

Mr. Mitchell of Kansas City, who advertised in the Huntville Herald for a wife, has found one in the person of Miss Kate Bentley of Randolph county. Mitchell's name is really Thos. Mo-Queen.

The village of Sumner published a statement of its financial condition in the last issue of the local paper, "The Star." It is a good idea to let the people know occasionally how a town's finances stand. Keytesville's city dads should not be derelict in this respect, but they have been so for many years. Suppose you render an account of your stewardship, gentlemen.

Worked Like a Charm.

D. N. Walker, editor of that spicy journal, the Enterprise, Louisa, Va., says: "I ran a nail in my foot last week and at once applied Bucklen's Arnica Salve. No inflammation followed; the salve simply healed the wound." Heals every sore, burn and skin disease. Guaranteed at E. W. Herring's, druggist. 35c.

"Cut it Out"

says many a doctor to his lady patients, because he doesn't know of any medicine that will cure female troubles except the surgeon's knife.

That such a medicine exists, however, is proved by thousands of cures made by

WINE OF CARDUI

Cures Womb Disease

It has saved the lives of many weak, sick women and rescued others from a lifetime of chronic sickness. It will cure you if you will only give it a chance. Try it. Sold by all druggists and dealers in \$1.00 bottles.

GAVE UP SUPPORTER.

"I was a supporter for four years, to keep up my wobbles," writes Mrs. S. J. Christian, of Mansfield, N. Y. "My doctor said no medicine would help me. After taking Cardui I gave up my supporter and am now well."

You SAVE MONEY WHEN YOU BUY ARBUCKLES'

That isn't all you save either. You know people who have drank Arbuckles' ARIOSA all their lives. Look at them. They like it and they haven't had to quit drinking it.

Don't let any man sell you something instead, which may ruin your stomach and nerves.

The Salisbury Press-Spectator observes that the good old summer time and the good old swimming days are rapidly approaching, but, of course, it is expected that the small boy thinks they are coming slow enough. Older people, men about the age of 50 years, are expected to outgrow such things, but Sam Cravens was certainly rushing the season when he took a bath in his pond one of those chilly, blustery days last week. Mr. Cravens says it was all an accident and explains in this way: He was on a horse in the middle of the pond, which is rather shallow. The animal decided to lie down, and, of course, Sam had to go too. He says he does not feel so bad about it, since he knows that Joe Duff did not see him fall.

According to the Salisbury Press-Spectator, the German Methodist church on West Second street in Salisbury has been sold to J. H. Grigby, who lives on the Arnsperger place, for \$1,100. Mr. Grigby will move the church to his farm and use it for a barn. The German Methodist German congregation has dwindled to so small a number that it was found impossible to support a preacher and so it was thought best to sell the property. The money goes to general the fund of the church.

Coughs and colds contracted at this season of the year should have immediate attention. Bees Laxative Cough Syrup, contains Honey and Tar and is unequalled for hoarseness, croup and coughs. Pleasant to take; mothers endorse it; children like to take it. Contains no opiates. Moves the bowels. Sold by E. W. Herring's drug store.

In the treatment of piles it becomes necessary to have the remedy put up in such a form that it can be applied to the parts affected. Try it. Sold by E. W. Herring's drug store.

The new \$50,000 courthouse at Gallatin, Davies county, is to be built of brick manufactured by the Brunswick Brick & Tile Co.

Says the Rich Hill Enterprise:

"A romance in real life always elicits the keenest interest, but no community was ever stirred to such a depth, surprised and we might say pained, as this section was by the escapade of Mrs. Daisy Holland, the young and pretty wife of Burt Holland, living five miles west of Rich Hill. Mention was made in the papers last week, but names were withheld awaiting developments—full confirmation of the story so painful, weird and tragical as that which fell like a pall on her husband, happy home and many relatives here." The young wife fled to Washington with a bartender. When the husband learned she was determined to leave her happy home, he bought her a ticket to the coast, gave her spending money, hitched up his team and conveyed her to the depot.

How to Remain Young.

To continue young in health and strength, do as Mrs. N. F. Rowan, McDonough, Ga., did. She says: Three bottles of Electric Bitters cured me of chronic liver and stomach trouble complicated with such an unhealthy condition of the blood that my skin turned red as flannel. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease and assist in my husband's store. Guaranteed at E. W. Herring's drug store. Price 50c.

There are many kidney remedies but few that accomplish the result. Inquire about "Pineules." Sold by E. W. Herring's drug store.

The farmers in Jackson township are preparing for a wolf drive in the near future. John Clinkensmith of that neighborhood killed a gray wolf Sunday that measured six feet in length. A number of hogs and calves have been killed in that community.
